**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support Net Neutrality, and love the Internet service we get from an independent competitive provider. We specifically avoid the Big Companies just for that reason.: competition is healthy in the business that is part of the United States.

Your job is to respond to the wishes of the public not to a small cabal of big business interests. We DO NOT WANT PRICE HIKES due to unfair business practices or lack of competition. We know that broadband is important in our lives at school and at home.

We are and stay informed; we vote; we encourage family and friends to do the same.
